Example #2: Confusion in Browsing NFTs for Purchase

The screenshot shows the OpenSea homepage. At the top, there is a search bar with the placeholder "Search items, collections, and accounts". Below the search bar, a large banner for the "CHRYSALISM: DNA" collection is displayed, featuring a close-up image of a caterpillar's chrysalis. The banner includes the collection name, creator "CHRYSALISM", 6,765 items, and a price of 0.0577 ETH. A red arrow points from the collection name down towards the search bar. Below the banner, the main content area shows a "Trending" section with a list of top collections. The search bar is highlighted with a red box. The collections listed are:
